Royalty Elite, L.L.C., FINANCIAL CONTRACT

I, _____, hereby certify that I am the parent or legal guardian of _____ ("athlete"), and I understand that by signing this contract I am contractually obligating myself to all financial responsibilities associated with athlete being a member of Royalty Elite, L.L.C.'s competitive cheer program, for the season beginning May 1, 2018 through April 30, 2019 ("2018-2019 Season").

Athletes in the competitive cheer program for the 2018-2019 Season are responsible for tuition and expenses outlined in ATTCHMENT A. Tuition and expenses are non-refundable, and payment will not be waived for any reason in the event of non-completion of the 2018-2019 Season.

Monthly tuition payments ("Monthly Tuition") will be made in 12 monthly installments beginning in May 2018, with the last Monthly Tuition payment due on or before April 1, 2019, according to the schedule in ATTACHMENT A. The Monthly Tuition payment for May of 2018 only is due not later than May 6, 2018, all other Monthly Tuition payments are due no later than the 1st day of each month. The Monthly Tuition payment for May of 2018 will be paid to Royalty Elite via cash, check, or credit card. All subsequent Monthly Tuition payments will be made via automatic withdrawal from an account or credit card on file. Authorization for automatic clearing house ("ACH") withdrawals must be provided and properly authorized or athlete will not be able to participate in the 2018-2019 Season.

2018-2019 Season Expense payments ("Expense Payments") will be made in 4 equal installments and are due on or before the 15th day of the month, beginning in June 2018, with the last Expense Payment due on or before September 15, 2018, according to the schedule in ATTCHMENT A. All payments for Expenses will be made via ACH withdrawal from an account or credit card on file.

Additional practices may be added prior to competitions without additional charge. Practices and classes may be canceled due to holidays, competitions, inclement weather, or other reasons. Monthly Tuition and Expenses will not be refunded, waived, or prorated due to class cancelation(s).

Families with more than 1 child enrolled in Royalty Elite's competitive cheer program for the 2018-2019 Season will receive a 15% sibling discount on the least expensive Monthly Tuition only. There is no sibling discount for the 2018-2019 Season on Expenses.

If payment is made in full for both tuition and expenses for the entire 2018-2019 Season, and Royalty Elite receives written notice by May 6, 2018, that the total amount will be made in a lump sum payment, a \$100 discount off the total amount will be applied. To receive the discount, the full payment must be received by May 31, 2018, and payment will be accepted via cash, check, or credit card only.

If any payment is returned for insufficient funds, a \$25 check return fee will be charged, and no other personal checks will be accepted as a form of payment for the remainder of this contract.

Athletes not making payment in full for the entire amount of both tuition and expenses will be required to keep a valid credit card on file with Royalty Elite and must authorize charges to this credit card for Monthly Tuition and Expenses should any other means of payment be rejected, specifically if any check is returned for insufficient funds and/or any automatic withdrawal payment(s) fail to process.

If a credit card on file is declined, a late fee of \$25 will be assessed, and the undersigned will be required to attend a meeting with Royalty Elite to discuss non-payment. Non-payment of Monthly Tuition and Expenses will result in athlete not being allowed to participate in classes, practices, competition, and/or private lessons. Failure to immediately bring your account in good standing may result in athlete's possible dismissal from Royalty Elite's competitive cheer program, and/or referral to a professional collections agency.

Should athlete quit Royalty Elite's competitive cheer program prior to April 30, 2019, there will be no refunds or prorating of any Monthly Tuition or Expenses, and all monies owed to Royalty Elite for the 2018-2019 Season will continue to be made in a timely manner until payment is made in full.

I have read and fully understand the above terms and conditions regarding the financial obligations of my athlete participating in the 2018-2019 Season. I have the capacity to enter into this agreement and accept financial obligations on behalf of my athlete and understand that this agreement will be governed by Indiana law. WELCOME TO ROYALTY ELITE!

Never cheered before? No worries, we love to train from a clean background. It's best to learn the ROYALTY ELITE way from the ground up. When you cheer with us, you hire our knowledgeable and well-respected coaching staff to teach you all that you need to know to be a successful all-star cheerleader

Our Mission

All athletes interested in Royalty Elite's 2018-2019 competitive Our mission at ROYALTY ELITE is to be the premiere competitive cheerleading gym in the greater Bloomington community by providing a high quality and structured program tailored to all levels of cheerleading. Our goal is to not only grow our athletes' cheerleading skills, but to also teach our athletes life lessons that will follow them throughout their adulthood.

Cheer Teams – What Are Rec, Prep, and Club Teams?

ROYALTY ELITE's REC CHEER program welcomes all levels and ages 3-12. Rec cheerleaders do not attend team placements, rather they enroll in 8-week sessions where they learn the basics of cheerleading. These teams will not travel to competitions, but will have an opportunity to perform at a showcase event at the end of the session at the gym.

ROYALTY ELITE's PREP TEAMS are our competitive teams for our beginning cheerleaders and/or cheerleaders who wish to have fewer travel requirements. Athletes on prep teams attend placements to have a baseline assessment of their skills. Prep teams focus on building core cheerleading skills and will learn a routine composed of stunts, jumps, tumbling, dance, and motions. They will perform this routine at competitions. We anticipate that Prep teams will compete at 3 competitions as well as perform locally at community events throughout the season.

ROYALTY ELITE's CLUB TEAMS are our premiere competitive teams for ages 5-18 and levels 1-5. Athletes on Club teams must attend placements, where skills are evaluated to determine the best team fit for each athlete. Club teams will learn a routine appropriate for their skill level composed of stunts, jumps, tumbling, dance, and motions. We anticipate that Club teams will compete at 6 competitions throughout Indiana and surrounding states and perform locally at community events throughout the season

AGE & LEVELS

What is Tiny, Mini, Youth, Junior, & Senior?

Not sure what team your daughter/son is eligible to be placed on? Please see the age guidelines below, established by the USASF, to help you understand which team your daughter/son may be eligible for during the 2018-2019 season. Age as of August 31, 2018.

Novice	3-6 Years Old
Tiny	5-6 Years Old
Mini	5-8 Years Old
Youth	5-11 Years Old
Junior	5-14 Years Old
Senior	11-18 Years Old

What Are Levels?

The “level” refers to the type of stunts, pyramids, and tumbling that the team can safely perform. They are numbered from 1 to 5, in increasing difficulty. The level of a team is determined solely by the coaching staff. All decisions of the coaching staff with respect to the level of a team are final and are not negotiable. Part of being a good athlete and parent is to trust the ROYALTY ELITE coaching staff to create fair and competitive teams!

PLACEMENTS

When Are Placements for the 2018-2019 Teams?

All athletes interested in Royalty Elite's 2018-2019 competitive cheer teams will be required to attend placements on **Wednesday, April 25th**. Athletes ages 5-6 will be evaluated from 5:00 - 5:45 pm. Athletes ages 7-18 will be evaluated from 5:45 - 8:00 pm. We have reserved Thursday, April 26th at 6:00 pm for call-backs and any athlete that has an unavoidable conflict with the 25th. If neither of these dates work for you, you must contact Royalty Elite asap to make alternative arrangements for an evaluation (prior to April 25th). Teams will be announced via our website no later than Friday, April 27th, using the number provided to your child at placements.

What Will Happen at Placements?

Team placements are low-stress workouts where we allow our athletes to show skills they have already developed and look for their potential to learn new skills. Athletes will be grouped by age and will rotate through several stations where specific skills will be evaluated, such as standing tumbling, running tumbling, jumps, and flexibility. Athletes will also be asked to demonstrate stunting skills during placements, including the ability of flyers to pull various body positions. Our coaching staff will evaluate each athlete on the QUALITY of the skills performed (i.e., how well each athlete executes/performs their skills). If your athlete is brand new to cheer and tumbling - don't worry, we will teach them everything they need to know! Try outs will be closed to parents as we find athletes are less stressed when parents are not watching.

After placements, the staff will assemble team rosters for the upcoming season. We work to select teams that each have the best possible chance of a successful competition season. Please remember that all-star cheer is a team sport! There may be athletes on any given team that are at a different level than the rest of their teammates. A good rule of thumb is that individual athletes are typically grouped on a team that is one level lower than their highest individual tumbling skill, but there are several factors that play into building teams. Please remember that age, stunting, pyramids, jumps, dance, and motions are huge factors as well. Some will be stronger tumblers than others. Some will contribute more with stunts than others. We choose our teams based on the positions that we need to fill for each team (bases, flyers, tumblers, etc.) Every athlete is on the team for a reason - please trust the staff.

Checklist for Placements

In order to attend placements and have your child placed on a Royalty Elite competitive cheer team, all the following items must be completed in full and turned in no later than April 25th.

- ✓ 2018-2019 Team Placement Registration Form plus \$25 (\$20 if this form is completed and turned in prior to April 25th)
- ✓ Photocopy of athlete's birth certificate
- ✓ 2018-2019 Annual Gym Registration Form
- ✓ Signature Page from 2018-2019 All-Star Handbook (the last page in this document)
- ✓ Royalty Elite, LLC., Waiver and Release of Liability
- ✓ Royalty Elite, LLC., Financial Contract

Please understand that we must have all checklist items completed before placing your child on a team - NO EXCEPTIONS! Building successful teams is an intricate puzzle and we must have all the pieces to be able to accomplish this task.

Parent Meeting

We will have a mandatory meeting on Sunday, April 29th at 6:30 pm for all parents with athletes placed on our cheer teams. We will review all gym policies and procedures and cover important topics, such as:

- Competition schedule
- Uniforms
- Fundraising
- Choreography
- Setting up tuition and payments for cheer expenses
- Etc.

PRACTICES/ATTENDANCE

What Days Do Teams Practice?

Each Prep and Club team will have 1 required 90-minute practice per week. As the schedule is currently envisioned:

- ROYALTY ELITE's older teams (e.g., senior and junior teams) will practice on Wednesday evenings.
- ROYALTY ELITE's younger teams (e.g., youth, mini, and all prep teams) will practice on Thursday evenings.

Depending on the number of teams for the 2018-2019 season, which teams practice on which days may change, but we believe team practice days will remain on a Wednesday or Thursday throughout the season.

After choreography (anticipated in mid-to-late September) and especially in the weeks leading up to competitions, you should expect additional practices will be added on weekends and possibly during the week. The all-star open gym on Sundays will be likely be converted to practice times on these occasions - please plan accordingly as attendance at practices is mandatory!

Attendance is crucial to team success. An absence must be documented in writing to prior to missing. No practice can be missed 2 weeks prior to a competition.

What Other Classes Are Required for the Competitive Cheer Teams?

Required Tumbling Class - Each athlete is required to enroll in 1, 60-minute tumbling class per week. During placements each athlete's tumbling skills will be evaluated. Based on this assessment, each athlete will be assigned to a beginning, intermediate, or advanced tumbling level. Athletes/parents will have multiple options for class days/times to choose from when enrolling in the required tumbling class. Tumbling classes are not team-based, rather they

are individual athlete-based allowing our coaching staff to focus on improving and progressing each athlete's tumbling skills.

Required Stretch Class for Flyers - All ROYALTY ELITE flyers are required to enroll in a 30-minute stretching/flexibility class per week. Several options for class days/times will be available for an athlete/parent to choose from. There will always be a stretching class offered immediately before or after your practice time. If you are a flyer on a ROYALTY ELITE team and you choose to not enroll in a stretching/flexibility class, you will not fly; NO EXCPETIONS! This class is invaluable for all athletes, not just flyers. Athletes on any ROYALTY ELITE team may enroll in this class at a significant discount. Several spots are also available for the public to enroll.

What Other Classes Are Offered?

All-Star Only Open Gym - Every Sunday, all athletes on a ROYALTY ELITE team are invited to attend our all-star only Open Gym. This 90-minute session is already included in your monthly tuition and will always be staffed by at least 1 of our highly qualified coaches. Does your stunt group need extra work? Do you need to work on your tumbling pass or dance? Whatever you need help with, ROYALTY ELITE is committed to making sure the gym and coaches are available to our athletes. During competition season, you should expect this time will be used for extra required team practices!

Jumps Classes - ROYALTY ELITE offers several options for 30-minute jumps classes throughout the week. These classes will focus exclusively on the various jumps used in competitive cheerleading, jump technique, and conditioning exercises to improve jumps. This is the perfect class for those who need extra, focused work on jumps or for those athletes with dreams of hyperextended jumps! Athletes on any ROYALTY ELITE team may enroll in this class at a significant discount. Several spots are also available for the public to enroll.

HOLIDAYS & CLOSURES

Holidays and Breaks

We recognize that competitive cheer is a 12-month commitment, and that holidays and breaks are important times for our families, coaches, and athletes to rest, relax, and recharge. ROYALTY ELITE will be closed (no practices or regularly scheduled classes) for the following holidays and breaks:

- Memorial Day - May 28, 2018
- Independence Day Break - July 4 through 8, 2018
- Labor Day - September 3, 2018

- **Thanksgiving Break - November 19 through 25, 2018
- **Christmas Break - December 23, 2018 through January 1, 2019
- **Spring Break - March 10 through 17, 2019
- Easter Sunday - April 21, 2019

*** keep an eye out for pop-up clinics and open gyms these weeks*

Gym Closings

Royalty Elite will not align with any particular school system regarding closures of the gym related to weather events. Please do not assume that the gym is closed just because school may have been cancelled due to inclement weather! When we make the decision to close the gym due to inclement weather or any other reason, we will post this information on our website, all social media platforms, and we will send an email to parents. We will commit to making these decisions in as timely a manner as possible.

ABSENCES

Attendance will be taken at every practice/class. Every athlete's attendance is critical to team success and parents are expected to minimize absences. All planned absences must be documented in writing via email to info@royalty-elite.com with a minimum of 2 week's notice.

Excused Absences

- Contagious illness
- School function that affects your grade
- Family emergencies
- Vacation during summer

Unexcused Absences

- School dance/social function
- Conflicts with other activities or sports
- Vacations during competition season (when the gym is not already closed)
- Traffic
- Too much homework
- Feeling tired
- Don't have a ride
- Being tardy - please DON'T be late or your will stay after practice and condition

Vacations

- Vacations are strongly discouraged during competition season (when the gym is not already closed).
- Vacations in the summer are encouraged so long as the number of practices missed does not become excessive. The team will not wait for your child to return from vacation before trying new skills, forming new stunt groups, and trying new athletes in different positions. All decisions regarding each athlete's role on the team is at the discretion of the coaching staff.

No practice can be missed 2 weeks prior to any competition for any reason. If you do not comply with this rule, and at the discretion of the coaching staff, your athlete will be at risk of being replaced in the routine for the upcoming competition.

INJURIES AND MEDICAL CONDITIONS

Injuries

If an injury should occur, it is the responsibility of the parent to seek professional help for their child. Each athlete must be covered under their own health insurance and Royalty Elite is to be kept current on all changes to health insurance. After seeking the medical advice of a physician, parents are required to provide Royalty Elite with a summary of the athlete's injury/condition. A written release from a physician is required before an athlete will be allowed to return to practice should a serious injury occur.

Athletes and parents are expected to take all reasonable precautions when involved in activities outside of the gym to prevent injuries! We need our athletes healthy and injury-free all season!

Medical Conditions

By signing the Royalty Elite medical liability waiver, you are certifying that your child is in good physical condition and is able to utilize the gym's equipment and facility. You further certify that you have no knowledge of any condition, physical or mental, which would prevent or limit your athlete(s) from participating in these programs. You also agree that the gym has no ability to independently investigate the health or physical condition of your athlete(s) as it relates to his/her/their ability to tolerate the proposed programs. You understand that the gym is relying upon your certification that you have obtained appropriate clearance for your athlete(s) to engage in such programs from competent medical professionals.

Royalty Elite may require at any time and for any reason that a parent obtain a physician's written release/consent for your athlete to participate in Royalty Elite's cheer program.

COMMUNICATION & SUPPORT

Ongoing Communication

Good communication will be the key to a thriving relationship between parents, athletes, coaches, and owners!

It is the parent's responsibility to stay informed and engaged. Check your email regularly. Check our website regularly. Check team pages on social media regularly. If you are not receiving Royalty Elite emails (info@royalty-elite.com) it is YOUR responsibility to notify the owners asap. If you need added to the Royalty Elite team pages on social media, it is YOUR responsibility to notify the owners asap. It is also YOUR responsibility to make sure we have the cell phone numbers of each parent.

Email is the preferred method of communication at ROYALTY ELITE. Staff need to have their personal time away from work; owners and coaches will not engage in back-and-forth text messaging regarding a cheer-related concern or issue you/your athlete are having. If you send an owner or coach a text message and/or leave a voicemail, please expect an email reply the next business day, except in cases of emergency! Please understand there is an appropriate time for these discussions. In our email reply to you, we will request that an appointment be scheduled to discuss the concern face-to-face, so that any concern you have is able to be heard and resolved in the most effective, compassionate, and professional manner possible. Thank you in advance for respecting this policy.

Please, if you have any concerns, we encourage you to be honest, respectful, and upfront with us. We want the lines of communication to be open. Please also remember that you may not agree with everything we say or do, but all decisions are made in the best interest of the TEAM and ROYALTY ELITE as a whole.

Competition Communication

Most event producers typically post a general block schedule of each competition 2-4 weeks in advance of the event. Anyone is welcome to google the event producer and find the

general schedule. ROYALTY ELITE will not specifically send out the general schedule; this is public information that can be found online and shared by parents with each other!

The event producer will email the owners a performance order 1-5 days ahead of the competition. When we receive the performance order, you will get a detailed email that will contain all the specifics of the competition, including:

- Date, location, and address
- Parking information (if available) and admission costs
- Your athlete's performance time and the time they need to be fully ready and report to their coaches.
 - A good rule of thumb is that you will need to arrive at the competition approximately 2 hours prior to your performance time.
- Your athlete's award's session time and the time your athlete is free to leave the competition with their parent(s).
- An attachment with the performance order, which will list all the teams attending the competition.

Typically, there are last minute changes and revisions to the performance order and at times these changes will impact the original information that we communicate to parents. Should there be a significant change in our performance time, we will send another email.

Please also keep in mind that every team will be expected to be present and support other ROYALTY ELITE teams at competitions within reason. A good rule of thumb is that if another ROYALTY ELITE team performs within 2-3 hours of your team, you will be required to be present for those performances!

The day of competitions, all logistics will be communicated via a group texting app, including where to meet inside the venue, where to sit inside the competition arena/gym, what time and where athletes need to meet coaches for awards, and where pictures will be taken after awards are complete.

Parental Support

- Your dedication and support are just as important to us as the dedication of your child.

- We encourage all parents from all our teams to interact regularly and sit together at competitions and support each other and all ROYALTY ELITE teams.
- Parents and family members are encouraged to wear ROYALTY ELITE apparel to all competitions and community events we attend.
- Showing respect to the coaching staff, other teams, hosting organizations, and event producers is expected under all circumstances. Please remember that you are representing ROYALTY ELITE and your behavior will either reflect positively or negatively on our entire program.

PRACTICE & COMPETITION ATTIRE

Practice Wear

Athletes are required to wear their ROYALTY ELITE practice wear to every team practice, which includes:

- Black shorts or spanx (any brand, any style conducive for tumbling and stunting)
- Cheer shoes (or any athletic shoe that has not been worn outside)
- Any kind of athletic sock
- Hair up in a ponytail with a cheer bow (of any kind)
- The ROYALTY ELITE practice t-shirt or tank top that will be issued to your athlete

Athletes may wear athletic gear of their choice to tumbling and other classes. No jewelry of any kind may be worn to practice/class - NO EXCEPTIONS!

Competition Attire

Athletes will arrive to every competition in a manner that appropriately represents ROYALTY ELITE's high standards of appearance:

- Full competition uniform (bow, uniform top, uniform bottom, plain no-show socks, and cheer shoes) OR
- ROYALTY ELITE warm-up jacket, ROYALTY ELITE t-shirt (or other apparel), black leggings/joggers/sweatpants, and clean street shoes in good condition.
- No jewelry or nail polish.

Athletes are expected to carry their ROYALTY ELITE backpack to all competitions.

Please keep all ROYALTY ELITE apparel in clean and excellent condition! Please report any lost or damaged uniform items, practice wear, or apparel to the staff immediately. The replacement cost for any lost or damaged ROYALTY ELITE uniform item or apparel is the sole responsibility of the parent.

TRAVEL & TRANSPORTATION

Transportation

Transportation to all practices, classes, competitions, and other Royalty Elite events are the sole responsibility of each family.

We encourage carpools among families, but please understand that this will have ABSOLUTELY NO impact on the team your child is selected for.

Travel/Hotel Accommodations

The cost of overnight hotel accommodations and all other travel expenses related to Royalty Elite activities are the sole responsibility of each family.

Overnight hotel accommodations are never required, unless we attend a competition known as a “stay-to-play” event. At these competitions, the event producer requires an overnight stay as part of the requirements for your athlete to be eligible to compete. At this time, we do not envision attending any of these competitions in the regular season. If a team receives a bid to an end-of-season event such as The ONE, Summit, US Finals, etc., these are typically stay-to-play events and parents will be given ample notice of the requirements that our gym must fulfill related to overnight hotel stays. These rules are put in place by each event producer and we are not able to change them.

For competitions that are not located in the greater Indianapolis area, ROYALTY ELITE will reserve a block of hotel rooms at a hotel as close to the competition venue as possible. Parents are NOT ever required to book a hotel in the block nor is it a requirement to get a hotel for out of town competitions (other than what is outlined above regarding stay-to-play events). When you choose to book a hotel in the reserved block, all hotel expenses (including parking and meals) are the sole responsibility of the parents. Parents will be responsible for booking their room(s) on their own using the online link and/or special group discount code, following all the rules and stipulations for making your reservation (including adhering to the book by date and cancelling the room if needed).

PARKING & DROP-OFF/PICK UP PROCEDURES

Parking

There are only 14 dedicated parking spaces for our facility. ROYALTY ELITE is not responsible for any parking issues outside of our lot for any reason at any time.

AFTER 5:00 PM, there are several surrounding businesses where parking should be available, as well as on-the-street parking.

****You may NOT park next door at STANLEY STEAMER at ANYTIME.**** They routinely need to shuffle their vans around after hours and need all their parking spaces. Please respect this policy! They WILL tow your car without warning.

Drop-off and Pick-up Procedures

The safety of our athletes will come first in EVERY decision we make. Parents may either park and escort their child into the building or drop off their child at the front door and watch as their child enters the building. Parents may not pull away until their child is safely through the ROYALTY ELITE doors!

At pick-up, parents may NOT wait in cars for their athletes to exit the building after practice. The only athletes allowed to leave the building without an adult are those that drove themselves to practice - NO EXCEPTIONS! Staff will escort athletes from the gym into the lobby area once practice/class is over. Athletes will not be allowed to exit the building to search for their parent in the parking lot. This policy is in place for the safety of our athletes. Please be prompt when picking up your athlete! If you are habitually late in picking up your athlete from practice/class, we reserve the right to charge you a late fee to cover the additional cost of a staff member sitting with your child until you arrive.

PARENT/ATHLETE PROGRAM DO'S AND DON'TS

- 👑 Do not make assumptions. Always ask the question!
- 👑 Do have a positive attitude. Attitude is everything. If an athlete has a foul attitude, we will move them to a non-competitive program/class until improvements are made. Until then, a replacement will be put in position.
- 👑 Do understand that all practices, classes, and private lessons are closed for parent viewing. Our facility is not set up for parent viewing and it is disruptive.
- 👑 Do not enter the gym uninvited. The only people allowed in the gym are staff and athletes that are on the team/class rosters. Parents, relatives, friends, and siblings must remain in the lobby and all children must be supervised.
- 👑 Do accept our special invitations to join us in the gym to view practices/classes/private lessons so that the teams can showcase what they have been working on!
- 👑 Do not bring electronic devices into the gym. All cell phones, i-pods, and all other electronic devices must be kept in the locker room for the duration of practice. Further, ROYALTY ELITE is not responsible for lost or stolen items.
- 👑 Do be neat and clean up after yourself. All clothing, backpacks, and personal belongings must be stored neatly in the cubbies and on hooks in the locker room - not thrown on the floor.
- 👑 Do not bring food into the gym. Absolutely NO food or drinks (other than your bottle of water) are allowed in the gym. There is not a water fountain in the gym. Please send your athlete to each and every practice/class with water. We will do our best to keep extra bottles of water in the refrigerator in the locker room. Athletes are welcome to take a bottle on the honor system and make a small donation to help cover the cost of stocking the refrigerator with water.
- 👑 Do not wear jewelry and/or piercings of any kind to the gym. They must be removed before practice/class. This is non-negotiable as it is a safety issue.
- 👑 Do not call or text the staff unless it is an emergency. The staff need to have their personal time away from work. Thank you in advance for respecting this policy.
- 👑 Do not create or sell your own ROYALTY ELITE apparel. Our name and logo are copyrighted. Ideas for all apparel and accessories must be submitted in writing to the owners for approval. This includes using team names on designs.

- 👑 Do arrive early! Punctuality is REQUIRED. Please arrive at least 10 minutes early to all classes, practices, competitions, and other ROYALTY ELITE events/functions. If you are late, your athlete will condition after practice.
- 👑 Do not speak negatively or gossip about staff, other athletes, other parents, other teams, or other gyms. If you have questions, please ASK, rather than listen to non-sense or engage in irresponsible conduct that could jeopardize your child's ability to cheer at ROYALTY ELITE. If this behavior (by the athlete or parent) becomes a pattern, your child will be dismissed from the program.
- 👑 Do not behave in a threatening manner to another parent, athlete, coach, or staff member! If a parent or athlete verbally or physically assaults or threatens another parent, athlete, coach, or staff member, the family will be dismissed from the program and banned from all future activities at the gym.
- 👑 Do always be the example of good sportsmanship, positive conduct, and professionalism at all classes, practices, competitions, and community events. Absolutely no profanity or rude language. Our older athletes should be especially mindful of their position as role models to our younger athletes in the gym.
- 👑 Do stay informed and engaged in all ROYALTY ELITE activities. It is the parent's responsibility to stay informed and engaged. Check your email regularly. Check our website regularly. Check social media regularly.
- 👑 Do not threaten to quit or pull your child from the program. Anyone threatening to quit will be asked to leave immediately. No refunds will be given and the financial contract will remain in full effect for the duration of the 2018-2019 season.
- 👑 Do not post negative comments about ROYALTY ELITE, the coaches, staff, or athletes on any social media sites, YouTube, message boards, websites, or any other public forum.
- 👑 Do not withhold your child from practice as a form of discipline. All-star cheer is a team sport and this form of discipline will significantly impact the entire team.
- 👑 Do understand that your opinion regarding practice and routine construction does not count. ROYALTY ELITE staff and coaches make all the decisions.
- 👑 Do understand that practice schedules can change and any change will be communicated to parents using a variety of methods, including email, our website, and social media groups. Practices may be added and/or extended before competitions - please be prepared!

- 👑 Do become educated and informed about the sport of all-star cheerleading. Explore the USASF website. Read the rules, understand the divisions, read the scoring system, understand what are deductions!
- 👑 Do be certain to let this experience be your child's experience! Parents need to be there to support their athlete's love for this sport. Do not let things like levels and teams distract you from the enjoyment of watching your child blossom into an amazing athlete under the direction of our very competent coaching staff!
- 👑 Do understand that we are all human and we all may make mistakes from time to time: parents, athletes, coaches, and staff! Never discount the power of admitting you were wrong (or that you could've done better) and what a sincere apology can mean to someone. Remember to treat others like you want to be treated!
